KÖBO – The Chain People

Elevate Your Theme Park
to New Heights!

Our Mission

At KÖBO, we design and supply high-performance chains that power the thrills millions of theme park guests experience daily. From heart-pounding roller coasters to iconic Ferris wheels, our precision-engineered chains are the invisible backbone of unforgettable adventures.

Why Choose KÖBO Chains?

- **Uncompromising Safety:** Rigorously tested to exceed international industry standards, ensuring reliable operation even under extreme loads and conditions.
- **Durability That Lasts:** Crafted with premium materials to withstand constant use, weather exposure, and high-speed motion – minimizing downtime and maintenance costs.
- **Custom Solutions:** Tailored designs to fit any ride type, from classic wooden coasters to cutting-edge steel attractions.
- **Expert Support:** Our team of engineers provides end-to-end assistance, from initial consultation to installation and ongoing service.
